Our Services

We are Interior Designers with years of professional experience. Whether it is an office or a home, salon or clinic, restaurant or a studio, retail showroom or a modular kitchen, we have done it all.

We ace in Residential, Commercial, Office, Furniture Customization, Consultation 2D & 3D.

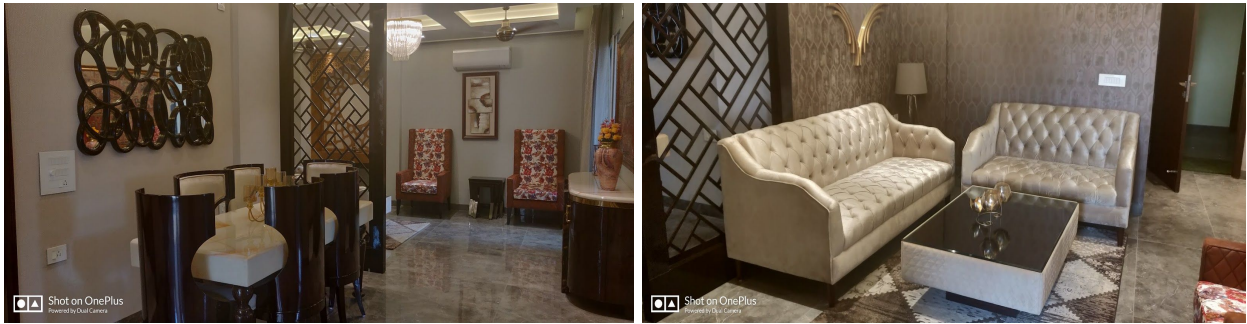

We follow a simple procedure:

- ❖ Detailed conversation with client to know his requirements.
- ❖ Planning of space and conceptualizing ideas.
- ❖ Creating designs from ideas.
- ❖ Executing and building those ideas into a work of art.

Transforming Homes

Every home speaks the language of the people living in it. We at 'Kalptaru Design Studio' make sure that a personal touch is given to the space to make it look more lively and beautiful. Home is a place where life is constantly evolving. We make homes with all the dedication, creativity, and thoughtfulness with a touch of eloquence.

Transforming offices

Office space requires a definite, strong and planned interior. We at 'Kalptaru Design Studio' take all these requirements along with the cost in consideration and deliver a sustainable and breathable space that can make the office environment more lively and at the same time retains the vision of the company.

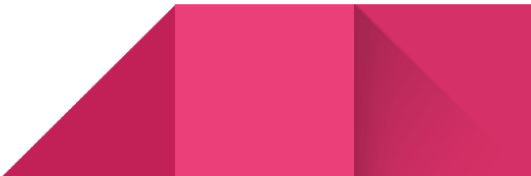

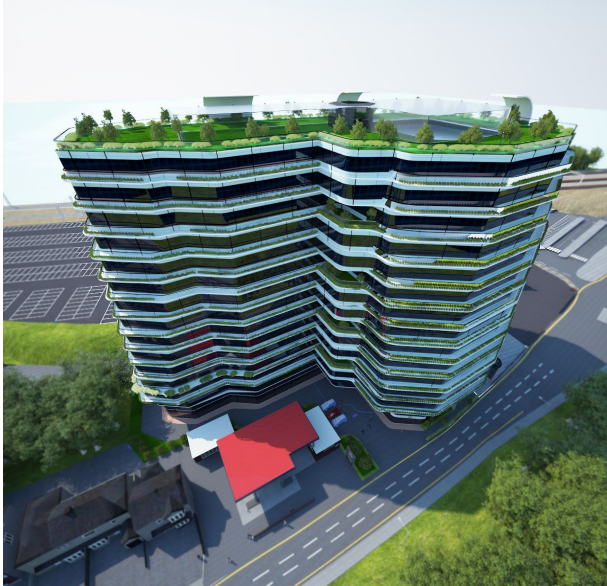

Transforming Commercial spaces

In today's era, unique and innovative spaces are the keys to a successful commercial environment. At [Kalptaru Design Studios](#) we keep in mind that the commercial space we transform turns out to be aesthetic and eloquent and that we infuse the right amount of exquisiteness and poignant elements in the space.
